With the ongoing debate over plastic bags, pure planet paper bags are an inexpensive and environmentally friendly option for your business.

Made from 100% paper including their flat fold paper handles, gispac's pure planet paper bags are 100% recyclable. So you can throw them into your recycling bin. They can be produced in four handy sizes and can be printed in any design required.

#### paper

- White Kraft - 30% post consumer waste / 70% plantation material
- Brown Kraft - 20% recycled / 80% plantation material

#### lead time

- With a lead time of 6-8 weeks\* your pure planet paper bags will reach you in half the time of most other custom printed bags!

#### uses

- Everyday carry bags
- Perfect replacement for your plastic sale bags
- Promotional bags, corporate seminars, tradeshow and other events

#### minimum

- Only 5.000 bags per size and design
